Hi Dan,

See below. As a follow-up to our meeting a few weeks back, we have pressure washing on all four sidewalks that border the Academy property scheduled for tonight at 10:00pm. We had reached out to Officer Eubanks to assist us by posting officers at the property in the event the homeless do not want to move for our pressure washing team however he is unfortunately out on vacation. The officer covering for him has not responded to our emails/phone calls. We've called Thursday, Friday and today with no response.

Not sure if you have any other contacts, but it might be helpful to give them a heads up. We have signs posted on the fence line advising of the schedule.

Thank you!

Hi Marty,

SLO Joe Eubank advised me to call his cell to reach you (where I left a message). I wanted to get in touch to go over the details of our plans to pressure wash the exterior sidewalk at our Academy Square property on Vine, Delongpre, Homewood, and Ivar.

The plan was to begin the pressure wash on Monday, June 6th, around 9pm and it would take 5-6 hours. SLO Eubank planned to be there with an officer or two to make sure all homeless were removed. If they did not comply he was going to arrest them and clear out the block so that we could pressure wash.

We have everything in place and wanted to make sure everything was coordinated with LAPD so please advise if there is anything else you need from me. Thank you.

Sorry I did not answer sooner. How did the power washing go. I heard things are looking good down there around your building.

Great. Both Homewood and Vine look a lot better, since our last meeting.
